Summer band camps: 4 day 6/14-6/17 bussing will be provided by the school incoming 6th-12th graders.

Interest surveys were given, lots of interest with 7-8 grade bands, Dee thinks there will be more when they can give more info out. Erica, Kayla and Dee are meeting next week to put together more info and flyer together.

Boosters will support with snacks and possible giveaways on a daily basis and Thursday, final day, will provide lunch before a televised concert. And Provide t shirts for all attending.

New Business:

Drama has asked if we would pay for their accompanist \$500 for the spring performance. We had planned to last spring before covid. Don recommended we pay \$500, seconded by Skip, all approved.

As discussed at the meeting Don would talk to Brett about concession, update he did. Brett would very much like to have us, sell at least water at concessions but open to more.

Trailer sponsorship: Already received \$500 from Kennebunk Savings bank. Don will send a packet out and spreadsheet of where people have gone, if anyone is interested or knows a business that might be interested.

Ashley was going to ask Eldridge Lumber, Don met with PR from Aroma Joes and they were possibly interested.

Scholarships: due 4/16 need to review and decide by 5/1

Kim will put together a doc from the applicants to be reviewed and then we will set up a meeting for a final decision. Erica, Kayla, Skip/ Dee, Dave, Don and Kim will review

Swag: we are running low on swag. Eric and Erica are working on a tshirt design (to be used for summer band camp as well) Spartan school song on the front. Trying to keep it on one side and 2 colors, Black shirt.
