New Business:

Scholarship defer; Jade Jamison wrote an email asking if her scholarship could be deferred until next year, because of covid she deferred from RWU this past fall. All agreed that was fine and she can collect her scholarship next January 2022 when she finishes her first semester.

Updates from music teachers: We were lucky to have several district music teachers join us for our meeting. It was nice to hear how things are working for all of them. Thank you for joining us!

Erica (HS band) the 5 octave marimba has been received that was purchased with covid money. Facemasks and instrument bags have been shipped. Once they arrive and school goes back to yellow, they will be able to start playing in school.

Kayla (7-8 band) Face masks and instrument bags have been ordered and once they arrive they will be able to use the MS cafe to spread out and play. Excited for her percussion cabinet and being able to make her room more homey. Looking for a possible fundraising idea.

Justin (MS general music/ chorus) Enjoying having the baby grand in the new chorus room. Using it to show how the piano works, looking forward to accompanying the chorus when they can once again sing in the school.

Meghan (K-4 general music) Hard to get kids involved virtual. Stuff the Bus provided ukuleles for all 4th grade students, so once they are back in person they will start learning to play.

Banking needs to be done, Don will meet up with Dave to get him and Erica transferred to the account and release Trish from her treasurer duties.

Look into Fan Cloth as a district fundraiser, They put your logo on swag and sell, all variety of items and a wide variety of costs. All done online, Erica has done it in the past with just her bands and made \$2000. Looking into running it this spring.
